R02 PROFUEL STEER 19.5

PIRELLI
TRUCK BUS AGRO OTR

REGIONAL | STEER / ALL-POSITION

M+S | High-Scrub Compound | SERIE 02 | 2nd Generation Product Series (Backed by Prometeon)

Durable 19.5" steer/all-position tire optimized for last-mile pickup and delivery, featuring curbing protection, high-scrub compound, delivering strong wet traction and long tread life.

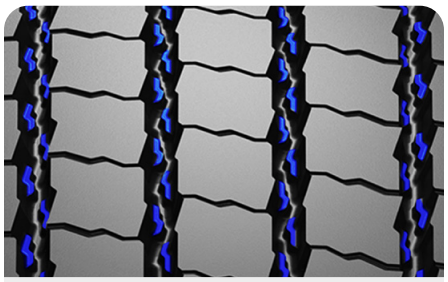

COMPARABLE TO:

Bridgestone	R238
Michelin	Agilis HD Z / X Multi Z (19.5)
Continental	Hybrid HS3 / HSR +
Goodyear	Endurance RSA 19.5 ULT

FEATURES

ADVANCED STONE EJECTION

Advanced tread geometry with four multi-angle grooves and robust longitudinal ribs enhances braking performance and **delivers extended tread mileage**. Stone ejectors at the base of every groove prevent stone trapping, supporting long-lasting durability and **retreadability**.

ENHANCED STOP-START TRACTION

Wide 5-rib profile delivers a stable footprint for confident steering control in last-mile delivery service. Full-depth cross-rib sipes add biting edges **for improved wet and snow traction**, while also relieving internal tread stresses to **help prevent irregular wear**. This siping layout promotes smoother wear progression and consistent handling throughout the tire's service life.

CURB & SIDEWALL PROTECTION

Reinforced sidewall ribbing delivers added protection against curb scrubbing during urban pickup & delivery operations, **helping maintain casing durability**. A built-in sidewall wear indicator offers a simple, reliable way to track sidewall condition, **supporting safer operation** and timely replacement.
