FEATURES

HIGH MILEAGE PERFORMANCE

Specially designed rib-block pattern **delivers both reliable traction and strong braking** force for high-scrub urban pickup & delivery service, while also **reducing energy loss** and providing long, even wear.

IRREGULAR WEAR RESISTANCE

Shoulder tie-bars connect the outer tread blocks, reducing block movement, **enhancing shoulder stability**, and **helping prevent irregular wear** in regional high-scrub service.

REINFORCED SIDEWALL PROTECTION

Reinforced sidewall ribbing delivers added protection against curb scrubbing during urban pickup & delivery operations, **helping maintain casing durability**. A built-in sidewall wear indicator offers a simple, reliable way to track sidewall condition, **supporting safer operation** and timely replacement.
